INDUSTRY EXPERT LECTURE – 1

Artificial Intelligence and Machine Learning – Industry Trends and Career Opportunities

Date:

The Department of Computer Engineering organized an Industry Expert Lecture on “**Artificial Intelligence and Machine Learning – Industry Trends and Career Opportunities**” for Diploma students.

The lecture was delivered by **Mr. Dinesh Kumar Hirawath, CEO, HMI**

Engineering Services, Visakhapatnam.

The resource person explained the fundamentals of Artificial Intelligence, Machine Learning, Deep Learning, Data Science, and Generative AI with industrial case studies. Students gained valuable insights into AI applications in healthcare, banking, agriculture, manufacturing, and autonomous systems.

A live demonstration of Python-based machine learning was conducted, followed by an interactive question-and-answer session.

The programme enhanced students’ understanding of current AI technologies and motivated them to pursue AI-based projects and professional certifications.

Participants: 65 Students

Coordinator: Department of Computer Engineering

Artificial Intelligence and Machine Learning Workshop
